. 4:00 a m 6:45 p m LOCAL NEWS.

Another fine rain Tuesday night. there is plenty of water and grass.

The Arkansas river is beginning to m again, the water rising every day.

A. Bullard is erecting a dwelling he lots nearly opposite the Catholic iurch.

Nelson Wright has returned from Liberty, Mo., where he has been attending school.

Born, in this city, Wednesday, May 30th 1883, to Mr. and Mrs. L. Armstrong, a son,

Geo. H. Tepe was attacked by a pet bear in the city Saturday last, and received a slight injury on the leg.

The Catholic church of this city is edifice, designed as a parsonage.

Workmen are engaged in laying the foundation for Fred Singer's new residence opposite the Catholic church.

The picnic on Saturday last, three miles west of town, was attended by number of people from the city.

The authorities at Wichita raided six gambling houses June 1st, capturing twenty-one gamblers who are now in

small pox has been extinguished at that place-put out by the warm weather,

Dr. G. B. Jarrett returned from Pittsburg a few days ago. He was accompanied by his brother who will remain here a short time.

There was a fine glorious rain Sunday night-a regular "old timer" from the northwest, coming down in torrents and floods. The ground was wet down several inches.

Col. Moonlight, Adjutant General, arrived last night. He says that the Governor says the laws must be enforced. To enforce the laws means that the city authorities must be sustained.

A. Peronncelle, who used to keep ranch at Adobe P. O., Seward county, is engaged in fishing in Lake Superior. Wisconsin, "Fred" is fishing by the wholesale, and will return to Dodge this

James Janes, who lives a few miles northeast of town, is making a success in raising garden truck this year. He presented us with several heads of fine lettuce raised by him. The heads were large and splendid.

The spring trade in the city may be said to have given way to summer trade. Just how to distinguish the spring trade from the summer trade is in the character of the goods. Sugared drinks is a common summer beverage.

At the last regular meeting of the Hartman, C. C.; L. K. McIntyre, V. C.; Coe, M. at A.

Mrs. Coe, wife of Charles Coe, died this morning, of consumption, after a lingering illness. Mr. Coe has the sympathy of the community in his bereavement. A young child is left to the care of the irrigation scheme, was in town of the afflicted father. The funeral of on Saturday. He informs us that his the deceased will take place to-morrow morning at ten o'clock from the Union engaging the attention and interest of marketmen, slaughterers, stock-yard-

Major John M. Crowell, Postoffice Inspector, was in the city yesterday. He complimented the Dodge City Postoffice, and pronounced it the best manged and in the finest order of any postoffice that he has visited within a business elsewhere.

The festival given by the ladies of the M. E. Church, at the Union church building Tuesday evening, was well patronized-all the ice cream, strawberries and cake provided for the occasion having been disposed of. The receipts were quite large, and the net proceeds will be applied to the building fund of the church. It is the intention to give an ice cream and strawberry festival every two weeks, by the same church committee at the same place.

On Tuesday, we received a box of vegetables, and accompanying the box The notice appears in our advertising was a 'note which read, "Compliments of A. S. Tyler, grower and shipper of vegetables, Garden City, Kas." This was a great surprise, for we were not looking for so fine a present. We understand that the gardens look fine at Garden City. Irrigation accomplishes erecting a building adjoining the church great results in the line of products of every kind. Mr. Tyler has our hearty Dodge City. Fine stock is held on the thanks for his kind gift. It is possible to raise sufficient vegetables and grain for home supply and shipment. Irrigation will do great things for Western Kansas

The Knights of Pythias are making arrangements for the celebration of the Fourth of July, in a becoming manner and in a style like the olden time. Where is our boasted patriotism? In the mad rush of life we are forgetting the glorious anniversary of our fore-A dispatch from Larned says the fathers. The Fourth, in the old time observance, is becoming obsolete. Where is the patriot who will deliver his spread eagle efforts on the occasion. The memory of National independence should be kept dearly. The Knights of Pythias propose to revive the spirit of the early days, and will get up a grand celebration.

The public schools closed Friday last. The schools of this city have made considerable progress, in numbers and in study. Prof. Groendyke, the principal, leavored to do his duty. He is hard worker, and gave tolerably fair satisfaction. He is not an applicant for the school the coming year. It is his intention to attend a law school in the East, he having already made a preparatory course in law. He has many friends who wish him success. Mrs. Whitelaw. Misses Waite and Mullendore, teachers of the intermediate and primary departments have done their duty faithfully; the children under them have made fine progress. It is the intention of the school board to retain the lady teachers another year.

Nothing Short of Unmistakable Benefits Conferred upon tens of thousands of sufferers could originate and maintain

the reputation which AYER'S SARSA-PARILLA enjoys. It is a compound of the best vegetable alteratives, with the Iodides of Potassium and Iron,—all powerful, blood-making, blood-cleansing and life-sustaining—and is the most effectual of all remedies for scrofulous, mercurial, or blood disorders. Uniformly successful and certain, it produces rapid and complete cures of Scroiula. Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of waning vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick.
